Profile

I am a current student at the Code Institute completing my diploma in full stack software development. Eager to jump into the world of computing. Target-driven and enthusiastic to develop my broad range of skills. Looking to meet and exceed all company goals and set a high standard/quality of work.

Employment History

Shift Manager at Dominos Pizza - LACL, Rotherham

SEPTEMBER 2021

Started in the position of In-store team member at 16, and rapidly developed my skills and knowledge alongside a great work ethic I was soon asked to take the role. Tasked with assisting the store manager with general duties while also handling and controlling shifts. Maintaining a good relationship with all my team and keeping them happy.

- Nominated for In-store team member of the year 2021.
- Won Shift Manager of the Year in 2022.
- Completed a Basic Management Course and Advanced Management Course.
